

ASE GROUP

Customer Portal in IE11 Browser Operation Manual

Prepared by ASE

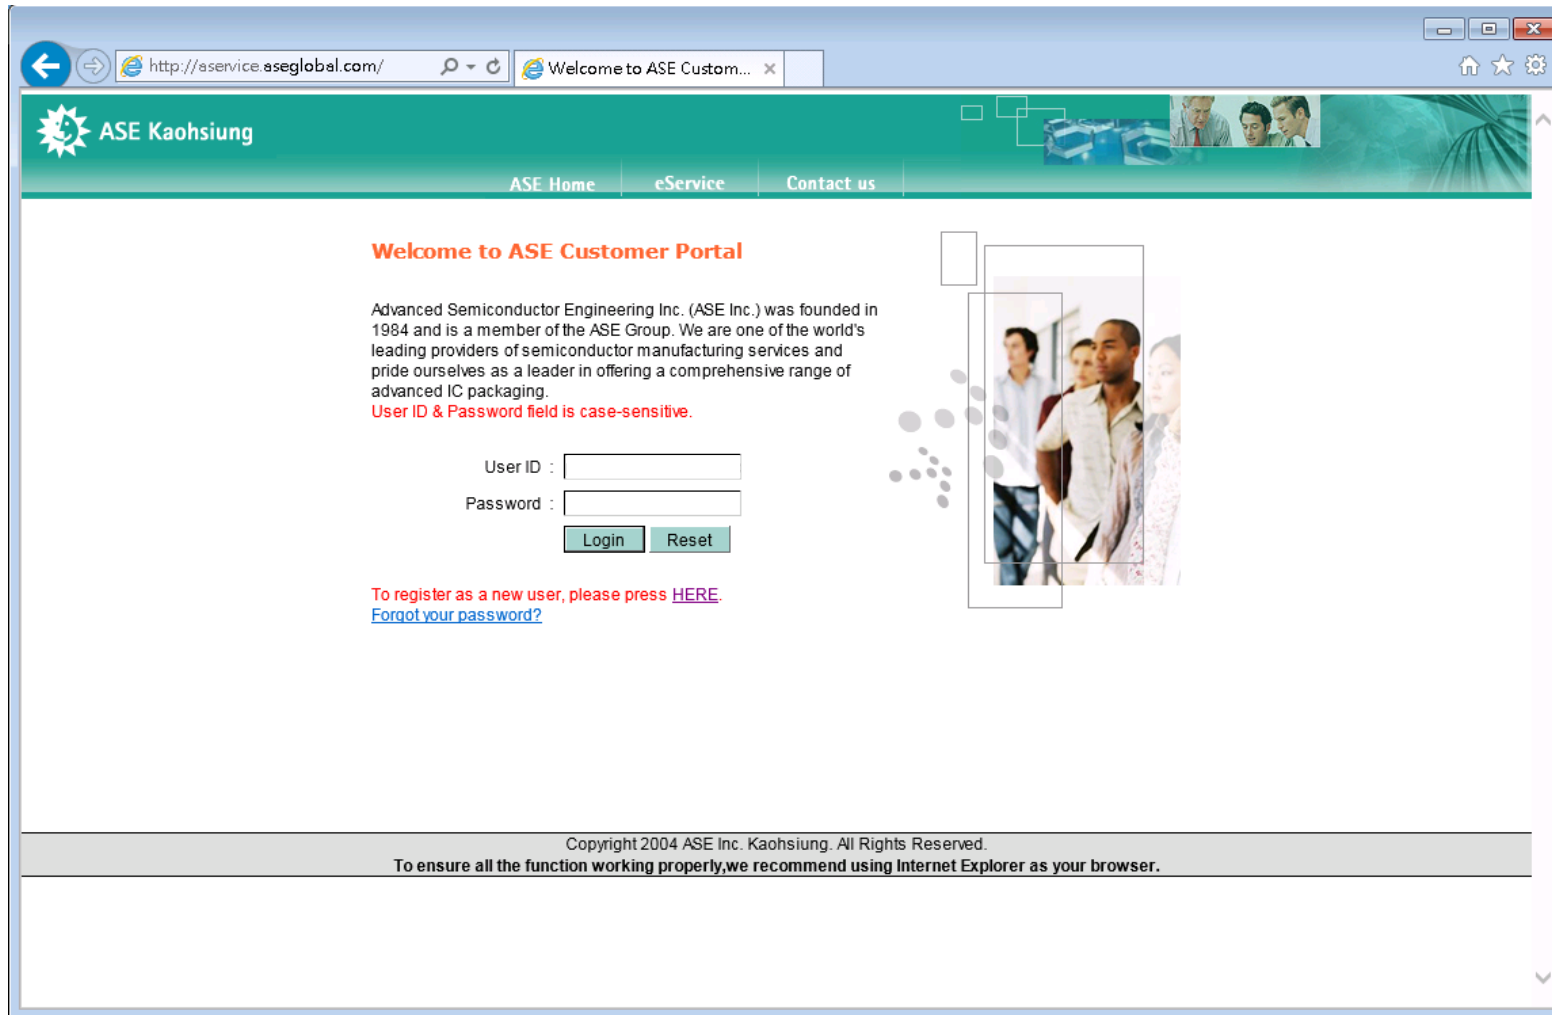

ASE Public / Security-D

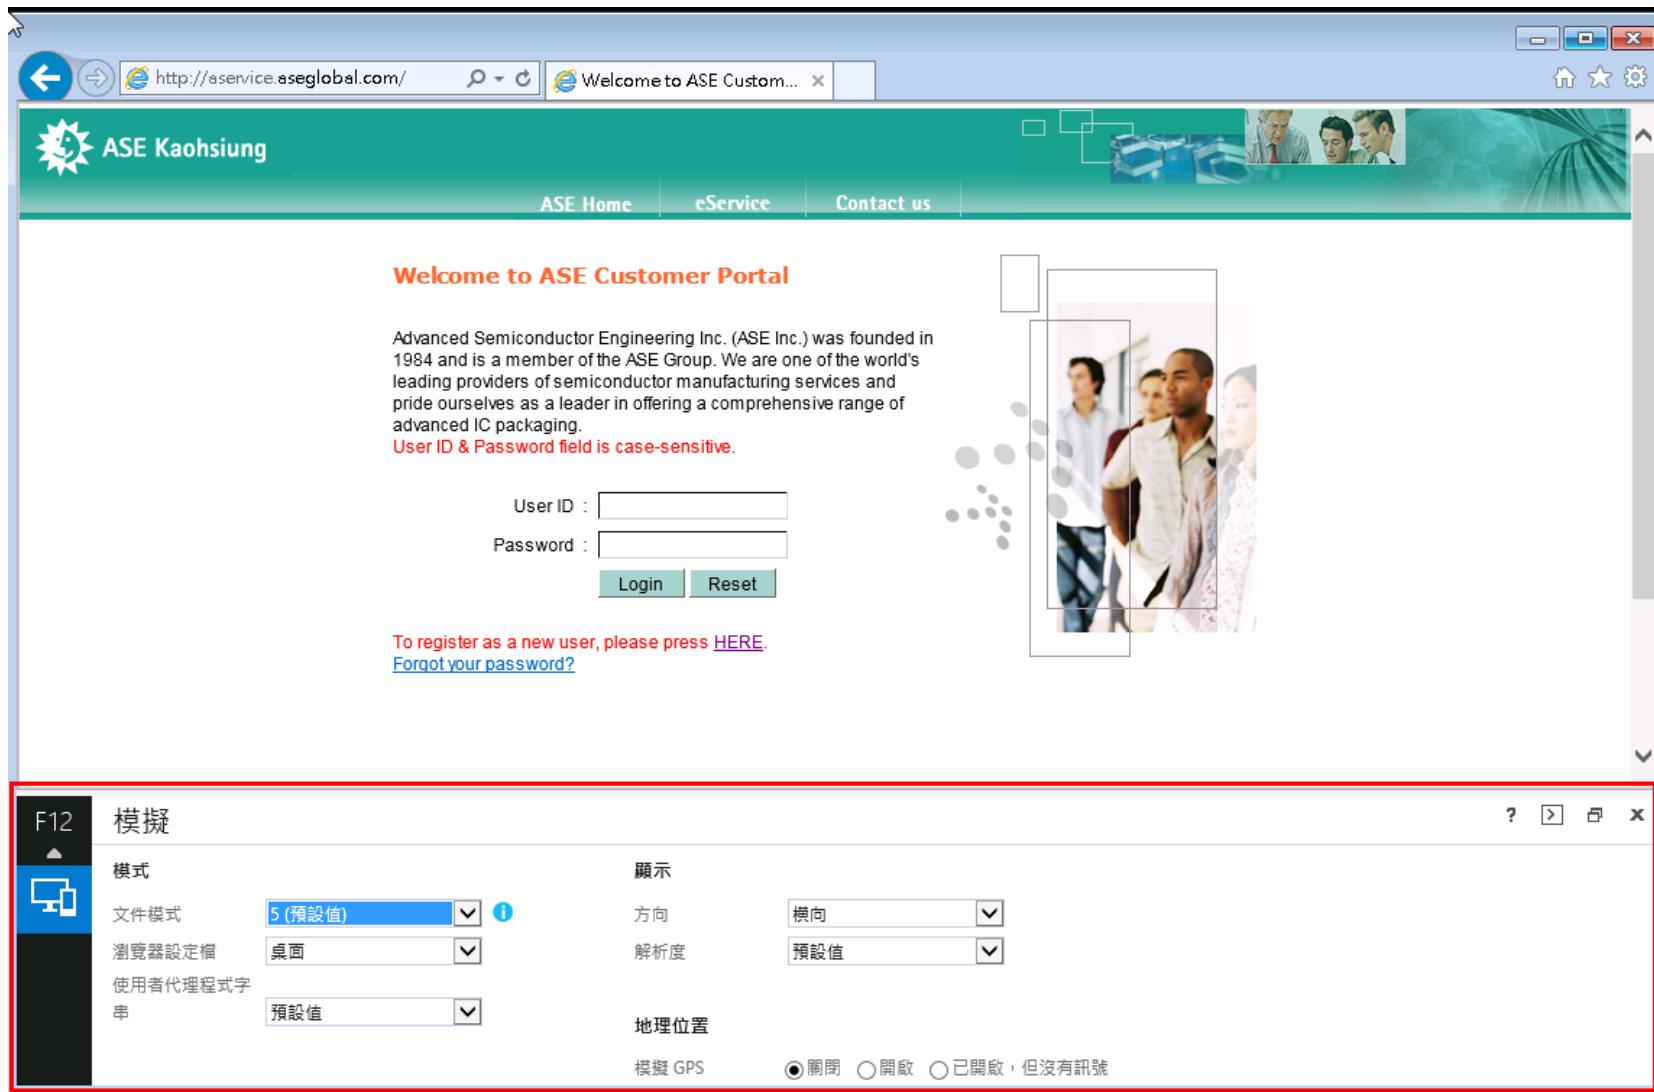

solution

1. Open IE Browser

2. Press the F12 Button , open development windows

The screenshot shows a web browser window displaying the ASE Kaohsiung customer portal. The browser's address bar shows the URL `http://aservice.aseglobal.com/`. The page content includes a navigation menu with 'ASE Home', 'eService', and 'Contact us'. The main heading is 'Welcome to ASE Customer Portal'. Below this, there is a paragraph of text about ASE Inc. and a login form with fields for 'User ID' and 'Password', and buttons for 'Login' and 'Reset'. A red warning message states 'User ID & Password field is case-sensitive.' There are also links for 'To register as a new user, please press [HERE](#).' and '[Forgot your password?](#)'.

At the bottom of the browser window, the F12 developer tools simulation window is open, showing various settings for the simulation environment. The window title is 'F12 模擬'. The settings are organized into two columns:

Mode	Display
文件模式: 5 (預設值)	方向: 橫向
瀏覽器設定檔: 桌面	解析度: 預設值
使用者代理程式字串: 預設值	地理位置: <input checked="" type="radio"/> 關閉 <input type="radio"/> 開啟 <input type="radio"/> 已開啟, 但沒有訊號
	模擬 GPS: <input checked="" type="radio"/> 關閉 <input type="radio"/> 開啟 <input type="radio"/> 已開啟, 但沒有訊號

3. Select the icon for simulation
